14 October 1983

Tom Cormack  
Executive Secretary

History Staff Bi-Weekly

Much of Ken's time was taken up with matters relating to the DCI's exchange of letters with Sen. Durenberger regarding proposed changes in FOIA legislation. He coordinated a request from the Department of State's History Office for copies of the correspondence and he talked with [ ] CRD, and with Charles Briggs, Executive Director, about the History Staff's role under the Director's commitments to the Senator. Ken also is drafting a memo in response to the Director's earlier query about release of OSS documents. He researched events on 6 October as a contribution to John McMahon's speech at last week's award ceremony for Mr. Casey.

[ ] interviewed [ ] about his role in the U-2 and Oxcart programs.

[ ] conducted our Annual Records Inventory; we have had a 14 foot increase in our holdings. [ ] still continues to be inundated with documents selected by historians in other government agencies. She is making steady progress in getting them out to the components for review.

[ ] has returned from her long vacation in Europe and [ ] is back from her short vacation in New York. [ ] plans to be away the last week of the month. Ken is on leave today.
